Dear Parent / Guardian

After School Clubs

Active Schools are working in partnership with Sgoil a’ Bhac to help provide extra curricular physical activity opportunities for all age groups on an after school basis. We are particularly hoping to deliver Primary 1-3 sessions as we feel this is a key development stage but would like to cater for all age groups.

Would you be willing or able to assist with the delivery of extra- curricular activities in Sgoil a’ bhac? Depending on response we could consider a ‘rota system’ where parents could share sessions and any help in any capacity would be gratefully received. Active Schools will support the delivery of these sessions initially and provide training where appropriate.

If you feel you are able to commit to an hour a week could you please return the attached slip to the school office. In the meantime, if you would like more information then please don’t hesitate to get in touch with myself or the school Head Teacher.

Thank you very much.

Kind regards,

Eric Macleod
