Dear Parents/Carers

SCHOOL PHOTOGRAPHS

Arrangements have been made for Malcolm Macleod Photography to visit the school on **Tuesday 17th September** to take school photographs. The photographer will start taking photographs at **approx 8.30am**. Pupils should wear school uniform and in the interest of health and hygiene should bring their own comb or hairbrush.

A proof will be shown before any purchase and a choice of 8 different packages will be available. Please order within 7 days of receiving your proof.

Portraits could be either an individual portrait pack **or** a small family pack **or** both. The family group could include children not at this school. **Please ensure your eldest child is aware of your requirements i.e. Family or Individual portrait**

A school or a class group photograph will also be taken.

The arrangement will be that the photographer will take photographs including children not attending this school first, this will allow parents to bring younger children to the school at **8.30am** and get away quickly.

Although there is no obligation to purchase, the school benefits from a generous commission from each sale.

Leis gach durachd,
