Children in Need

Thank you for everyone who donated some money for Children in Need. Every penny will help and every penny will count.

We raised £169.37. Pudsey came to our school and we had hot chocolate and we also decorated biscuits with icing and sprinkles which was fun.

We did a very hard quiz in our houses. The house that won was Ravenclaw. We had a very fun day.

Maths week

Every one of us all really enjoyed it.

Monday: The first thing we did on Monday was Gymnastics we made a number with our bodies.

Wednesday: We made some games and songs about maths.

Thursday: Today we were baking pancakes.

Friday: We got to wear anything we wanted with numbers.

Scottish water

Scottish water came to Sgoil Bhreascleit on the 12th of October. They were talking about hopefully making a dam and it would be finished in 2018 or 2019. They showed us one bottle of clean water and a bottle of dirty water they put some chemicals in the dirty water and it turned clean. They showed us lots of pictures of the treatment works.

Poetry workshop

Ken Cockburn came to our school to talk about poetry. He put the SMARTboard on and he had a list of words that would usually be used in a poem he said we had to make a poem about these words. But we had to do it without using the actual words on the list that were on the SMARTboard. When we did the poem Ken said we had to do another poem except this time we had to use

words from different lists on the SMARTboard. When we did that he said to give both of the poems to him and then he picked random people to read someone's poem. He said we all did well and then he took some sort of fortune teller out of his pocket. He said we were going to make a fortune teller just like his except there was a twist. He said that in the place there usually

was a fortune there was going to be our poems. First he taught us to fold and create the fortune teller. When we were done with that we had to either write a word on the front of the fortune teller or a number.

Bha tòrr daoine ann. Bha an sgoil a seinn 'Chì mi Geamhradh.' Bha iad air carragh-cuimhne a dhèanamh airson a' chladach. Se clach mòr le rud a'coimhead mar an taigh-solais air a mhullach agus pìos metailt mar stuagh. Chaidh cuirm a chumail agus chaidh taisbeanadh fhosgladh.
