

Clas 5-7

Tha clas 5-7 air a bhi uabhasach trang anns na seachdainnean a chaidh seachad. Tha sinn air a bhi ag obair cruaidh ann an Matamataigs, Litearrachd agus tòrr cuspairean eile. Seo blas de na rinn sinn.

P5-7 have been extremely busy over the last few weeks. We have been working hard on our Maths, Literacy and lots of other subjects.

Matamataigs:

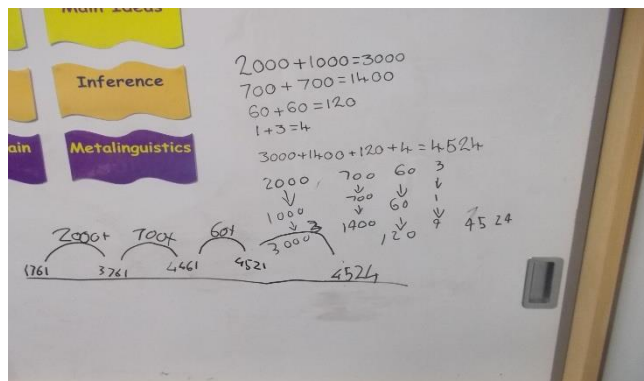

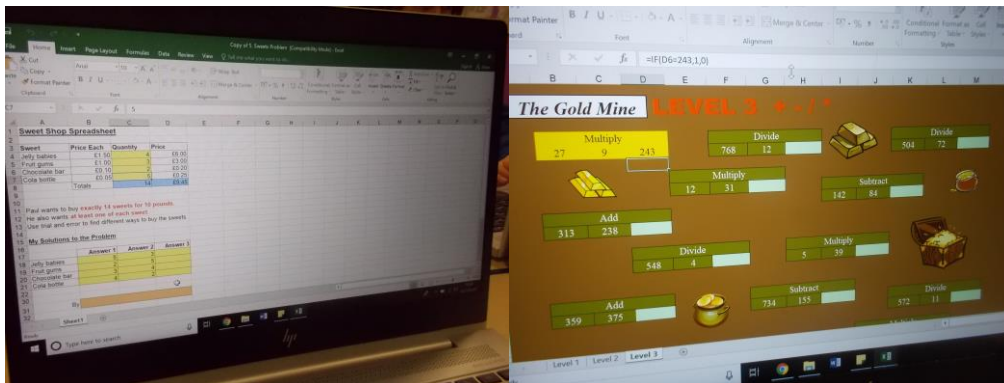

Chruthaich sinn postair a lorg na diofar doighean airson àireamhan a dhèanamh.

We created poster to help us find the different ways to make up numbers.

Rinn sinn obair air Co-chothroman, Clàran, luach àite, Comradh mu àireamhan agus Duilleagan-claithte. Seo beagan de an obair again.

We worked on Coordinates, Times tables, place value, Number Talks and Spreadsheets. Here is some of our work.

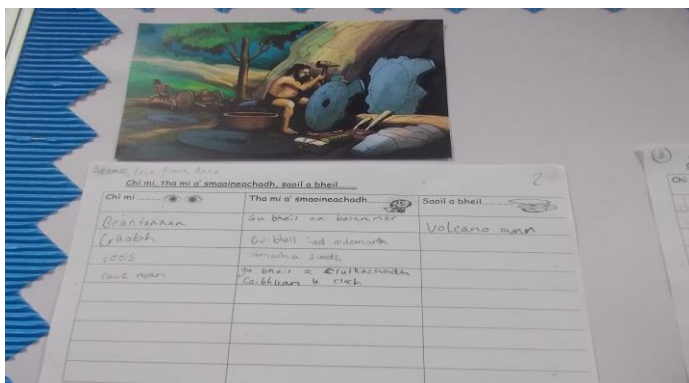

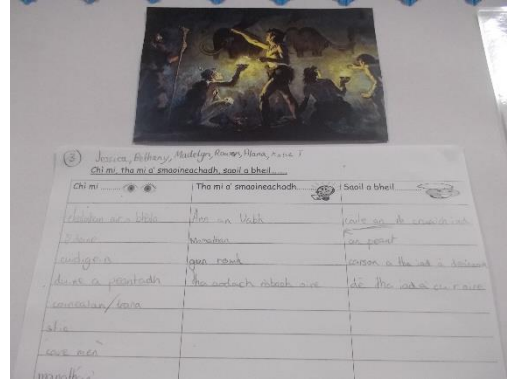

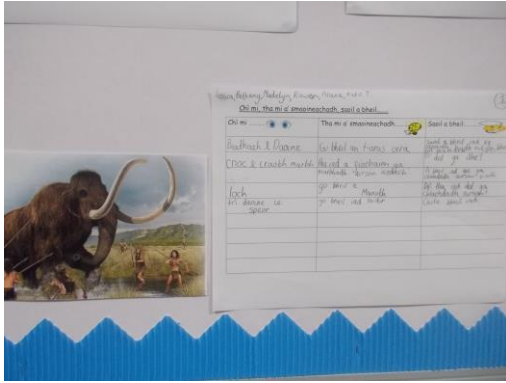

Topaic: Linn na Cloiche - Stone Age

Tha sinn air a bhi ag ionnsachadh mu dheidhinn Linn na Cloiche agus mar a bha iad beo o chionn bliadhnaichean mòr air ais. Chleachd sinn doigh obrach ùr leis an t-ainm A' Faicinn ar Smuaintinn airson smaoineachadh barrachd air an cuspair.

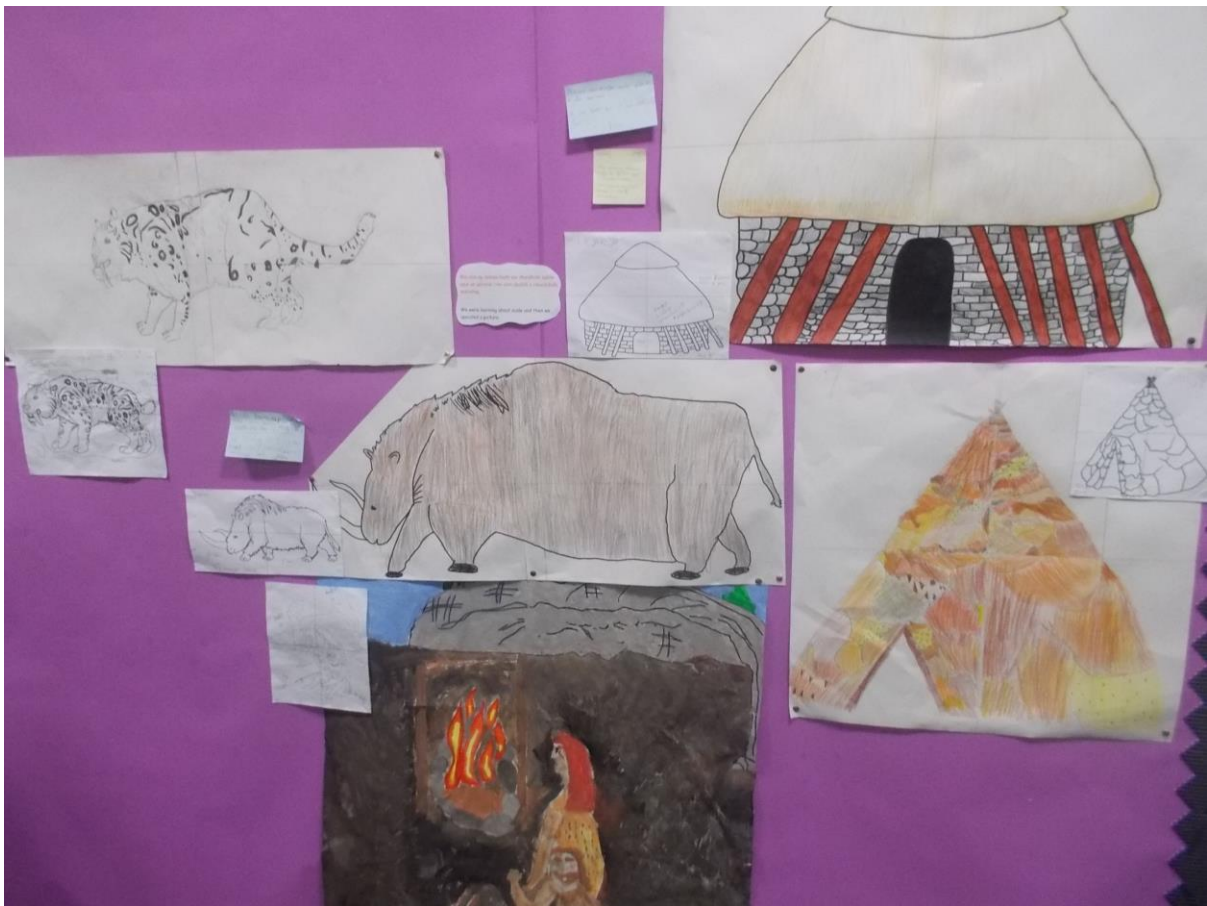

We have been learning about the Stone Age and how they lived many years ago. We used a new style of working called Making Thinking Visible to help us think deeper about the subject.

Rinn sinn cuideachd 'Upscaling'. Tha seo a ciallachadh gun do rinn sinn dealbh beag nas motha le bhith a tomhais grid. Bha na dealbhan again sgoinneil!!!

We also did upscaling. This means we took a picture and drew it much bigger by measuring out a grid to help us. Our pictures were brilliant!!!

Litarrachd

Airson pìos den litearrachd bha sinn a leughadh bardachd. Rinn sinn an uairsin comic strips a cleachdadh am bardachd.

For part of our literacy we read poems. We then used these poems to create Comic strips.

Tha sinn an drasta trang le am na Nollaig agus ag obair cruaidh air an dealbh chluich againn.

At the moment we are busy with Christmas and preparing our play.
