4	1	Matters Arising	Harmonisation: Additional Support Children			
			AC provided details of a parent query regarding Additional Support Needs. He passed this			
			onto Mr W MacDonald, Director of Education and received a response stating all pupils will			
			be supported accordingly. This was followed by an email from Mr Angus Maclennan, E-			
			Sgoil regarding an appointment of a part time member of staff to provide support to children			
			with additional support needs. These responses were passed onto the parent who enquired			
			about this matter.			
			Harmonisation: EIS Document Response			
			RC read out a statement from a parent who had raised several concerns about this			
			proposal. AC mentioned that it clearly states in the document that the Parent Council were			
			not in fact consulted regarding this matter. AC queried as to why the Union were not			
			consulted. AJ explained this was not required as it is not impacting existing teachers' terms			
			and conditions. RC is concerned the Harmonised Timetable is not 'Getting it Right for			
			Every Child'. KD stated SES has been on a Harmonised Timetable with Sgoil Lionacleit			
			and Castlebay Schools for the past 2 years, the only change is now is the Nicolson Institute			
			are coming onboard with this. She explained the rationale is that we cannot get the same			
			range of courses as the larger schools without this provision. There are currently a number			
			of courses being taught through E-Sgoil. AJ explained E-Sgoil is a platform provider for			
			Education. RC concerned this is a cost saving exercise, by the Council. GM is concerned			
			pupils will revert to being transported to the Nicolson Institute to receive their education.

		As posts in rural schools are not being filled, this is not addressing the issue of depopulation. There are also child protection issues if they are not being supervised by teaching staff. This will also have an impact on the future generation. He also expressed concerns regarding timing of this proposal as it is the pre-election period for local councillors. AMD joined the meeting at this point – 6.55pm. K DU joined the meeting at this point – 7pm. Dedicated Email Address for PC This was discussed briefly. All agreed, this would be easier for method for parents to contact the Chairperson of the PC directly. KD will assist with this. Video Advert Regarding Headship KD was unable to contact H Scott and R Chaffer regarding promotional video, therefore this has not been done. RC mentioned that parents suggested this would be a good idea. All present agreed it should be available to attract potential staff to the school. Local Advertising for Headship KD said local advertising would encourage more people to apply for posts. She explained the local authority would usually advertise posts internally initially, if un-successful, this would be advertised nationally. It would also encourage people to broaden their own experiences, and be given opportunities. Internal appointments also do not require the full period of notice for changing posts. AC received confirmation from MC Ferguson, that a small number of applications have been received for the HT post. The leeting is scheduled for next week.
