

If I were a parent or carer

- I can talk about what a parent/carer does to make sure their child is healthy, happy and safe.
- I can describe the diversity we find in family life.
- I can discuss some of the challenges of being a parent/carer.
- I talk about the kind of parent or carer I would be.

What might be difficult or tough about being a parent or a carer when your child is...

A baby?

What might be difficult or tough about being a parent or carer when your child is...

A toddler?

What might be difficult or tough about being a parent or carer when your child is...

A 5-year old?

What might be difficult or tough about being a parent or carer when your child is...:

A 10-year old?

What might be fun and amazing about being a parent or a carer?

Do you ever imagine
being grown up and
having children that you
care for?

Me as parent or carer

**How will I make sure
my child is healthy?**

**How will I make sure
my child is happy?**

**How will I make sure
my child is safe?**
