

Curriculum Bulletin
Scoil Uibhist a Tuath

Primary: P1-3 GLE

Term: 1

Interdisciplinary Topic: Weather Watchers	Discrete Subjects
This term our class is exploring the theme Weather Watchers. Children will learn what weather is and how it can be observed, measured and recorded. They will investigate different types of weather, make and use simple weather instruments, and keep a daily weather chart to compare predictions with observations. They will explore the water cycle, clouds and seasonal changes, and consider how weather affects people, animals and the world around us. The topic will provide lots of opportunities for practical science, outdoor learning, and applying literacy and numeracy skills in meaningful ways.	Mathematics/ Numeracy: • Number word sequences • Numerical identification • Grouping and Place Value • Addition and Subtraction • Basic facts • Data and Analysis • Time • Shape & Symmetry Literacy: <u>Listening & Talking:</u> Finding and Using Information <u>Writing:</u> Personal and Functional Writing <u>Reading:</u> Finding and Using information/Enjoyment and choice Health & Wellbeing: SHANARRI Mental, Emotional, Social and Physical Wellbeing RSHF Daily Mile Gaelic Children will take part in online Gaelic lessons delivered by e-Sgoil, alongside the use of the Go Gaelic resource and Gaelic within our daily classroom routines.
