Dear Pernal,

I have written this letter to inform you that we got visitors from Bonny Bridge primary school. It has children and teachers who are educated. We also play some games like us. They play football, basket ball and many others. My best friend told that children in Bonny Bridge play many items and they have a speech day. We shall represent this term we shall have a play, poem, speech, christmas cards graduation and many others. In our class and the school, we are taught many subjects. These include English, MTC, science, P.E, Literacy, social studies and may be writing.

YOUR FRIEND,
