	<p>The Principles and Practice documents capture what breadth, challenge and application look like in each curriculum area as well as identifying interdisciplinary links and the skills, knowledge and attitudes developed. Education Scotland's primary curriculum improvement toolkit has self-evaluation & development tools which will be useful to practitioners and senior leaders.</p> <p>Browse our Falkirk Builds Curriculum Team blog to view how Falkirk schools and settings are responding to recent national policies around Empowerment *See also pupil participation row below</p>		
<p>Literacy – there are four main sources of information and professional learning which you can search and study</p>	<ol style="list-style-type: none"> 1. Click here to visit our Literacy Strategy blog where you can browse examples of Falkirk practice and local/national updates. This blog post was created by colleagues across our central teams to pull key info relating to literacy into the one post. 2. We also have our Falkirk Literacy and English Glow group (Glow login required) 3. And our Forth Valley & West Lothian RIC Literacy team colleagues are busy developing a brilliant support blog here. 4. This hyperlink will take you to the Education Scotland Literacy & English professional learning & resource hub (Glow login required). The following Wakelet collections links are being continually updated by Education Scotland colleagues - click to visit: Early level Primary Stages S1-S3 Senior Phase 	<p>Carol Turnbull</p> <p>Yvonne McBlain @Yvonne_McBlain</p> <p>@FalkirkLiteracy</p> <p>Yvonne Manning</p>	
<p>Interdisciplinary Learning</p>	<p>Our Falkirk Interdisciplinary Learning Glow group (log in required) and our IDL Central blog both store information, ideas and examples of practice.</p>	<p>Yvonne McBlain @Yvonne_McBlain</p>	
<p>Pupil Participation and Voice</p>	<p>This Sway presentation provides a summary overview of national policy & research relating to pupil participation pupil voice & empowerment.</p>	<p>Yvonne McBlain @Yvonne_McBlain</p>
