

# Are you looking for support with finding a job or training?

Then Falkirk Council Employment and Training Unit (ETU) might just have the answer.

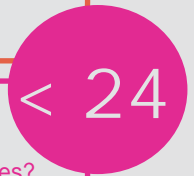

## Helping parents into work

- Are you a parent looking to get back to work or improve your career opportunities?
- Do you feel you need to retrain to get a job?
- Are you worried about childcare?
- Do you need some financial advice before returning to work?

## 16-24's looking for a career path

- Are you a young person looking for training, an apprenticeship or job opportunities?
- Are you worried about your future and the career plans you have?
- Recently left school or college, and not sure of your next steps?
- Do you feel you need some extra support to get things back on track?

## Do you have a health issue or disability?

- Are you concerned about working while managing a health issue or disability?
- Do you need some advice on your rights, workplace adjustments and funding?
- Are you unsure of what career path to take?
- Do you feel you need to retrain in a different industry?

## Unemployed & looking for opportunities?

- Have you lost your job or had to give up work due to the circumstances?
- Are you considering a change in career direction?
- Do you feel you need to retrain or learn more about other industries?
- Has your confidence taken a knock since you have been out of work?

If any of the above applies to you, then our service could be right for you.

Employment and Training Unit

## Employment Opportunities

**Vacancies:** working with local employers to provide access to good quality opportunities

**Careers support:** helping to match your skills with local employers needs and providing in-work support

**Keeping you up to date:** for all of the latest opportunities, ask any member of the team about our regular opportunities bulletin

## Training

Whether it's:

- **Industry Training and Certificates**
- **Modern Apprenticeships**
- **On the job work experience and mentoring**

Talk to a member of the team now to find out what support and funding is available to help

## Advice

**Career:** what jobs are available locally and any training you may need to secure employment

**Money Advice:** specialist staff to help you calculate the changes in income as you head towards work

**Workplace adjustments:** if you have a disability that requires some extra support or adjustments to your working environment

**Criminal Convictions:** support and advice regarding your rights, as well as disclosure of convictions

**Childcare funding:** what options are available and help with funding and managing the costs of childcare

**Specialist support:** a whole range of employability support services are available – just ask!

## Health & Wellbeing

**NHS:**

advice and guidance aimed at helping you manage and improve your condition in the workplace

**Counselling:**

access to telephone counselling services when the support is most needed

**Occupational Health Assessments:**

helping you back into work confident in your abilities

**Groupwork:**

to help build confidence in a learning environment

**If you are interested in the support we can offer you through our employability services then contact us today to arrange an appointment with one of our friendly team of staff.**
