

Learning for a better future

A Global Citizenship approach

How do we empower our learners to build a fairer, more sustainable future?

Our **GTCS accredited Professional Learning** programme will connect you with like-minded practitioners from across Scotland, taking you on an inspiring learning journey through Global Citizenship education.

Key components of the programme include guided professional reading, national training workshops, local mentoring, enquiry-based teaching, facilitated reflection sessions and a learning log.

Places are limited to 30 and the application deadline is **19 September 2022**.
