

## Our key priorities – Session 2017/18

1.	Further improving outcomes for all learners.
2.	Further improving our learning provision.
3.	Further enhancing our leadership and approach to improvement.

### Priority 1 – Further improving outcomes for all learners

- a. Strategies to further improve pupils' Literacy and Numeracy.
- b. Opportunities for pupils to use ICT to enhance their learning.
- c. A focus on skill development in lessons.
- d. Further development as a Rights Respecting and Fair Aware school.
- e. The recognition, recording and tracking of pupil achievements.
- f. Further develop awareness of diversity and inclusion.

### Priority 2 – Further improving our learning provision

- a. Further enhancement of learning, teaching and assessment.
- b. The identification and delivery of work-related options in the senior phase.
- c. A review of our broad, general education structure.
- d. Innovative approaches to homework.
- e. Enhanced opportunities for families to engage in learning.

### Priority 3 - Further enhancing our leadership and approach to improvement

- a. Raise awareness of our Pupil Council's impact.
- b. Further enhance our school website.
- c. Involve parents/carers and pupils in the review of our vision and values.
- d. Create additional spaces in school to support Literacy, Numeracy, STEM and creativity.
- e. Enhance consultation with pupils about approaches to learning.
- f. Build on our engagement with Community Councils.
