

I can't help, yet...

In the Braes cluster, we know that there are plenty of things that we aren't able to do...YET!

Use your

imagination

Don't give up!

Concentrate

Have a go!

By exercising our learning muscles, we can all grow our brains and become successful learners who thrive to meet challenges.

Be curious

Co-operate

Enjoy learning

Keep improving

Make mistakes!

If you would like to know more about how to support your young person without having subject knowledge come along to our

Braes Cluster Event, Braes High School
