Article 29 - the right to an education that develop[s] your talents and abilities

Pupil Name: _____ **Form Class:** _____

Pupils must choose one option per column. Pupils who choose two Advanced Higher courses and two other courses, will be allowed private study time in one column. Once you have filled in your options, pupils should ask their subject teacher to note the recommended level of study and sign.

In the Personal Development column, pupils should choose three options, in order of preference. Where possible we will aim to give pupils their 1st or 2nd choice, but we cannot guarantee this. All pupils will continue with 2 periods of Physical Education, 1 period of PSE and 1 period of RMPS.

*Pupils should note their preferred option in each column and then **ask their class teacher** to write in the level of study and sign below so that everyone is clear what level is appropriate.*
