.... from the PTA

Hello and welcome to the first PTA newsletter for our new academic session of 2025-2026!

On behalf of the Parent Teacher Association, we are delighted to welcome both new and returning families to another exciting year at Stenhousemuir Primary School.

To our new families - we are so glad you've joined our school community! We know starting somewhere new can feel like a big step, but we promise you'll soon feel right at home. Our teachers, staff and the PTA are here to help with any questions, ideas or friendly faces you may need.

To our returning families. Welcome back! We can't wait for another fun filled year.

The year ahead is filled with opportunities to learn, grow and have fun. From classroom activities to PTA events, school activities, and community celebrations, there is something for everyone to enjoy and get involved in.

Here's to a wonderful year at Stenny!

THE PTA

The Parent Teacher Association (PTA) is an open community which brings together parents, teachers, and school staff to collaborate in supporting pupils and improving school communities. We aim to add a bit of fun to school life, bring the community together and raise essential funds for the school which will benefit all pupils.

Our current PTA committee has proudly served in their roles for the past three years and beyond, working hard to support our school community and to organise events that bring us all together. We always welcome new parents to our meetings and we would love to meet more of you! If you are interested in joining the committee or taking on a role, we would love to hear from you! Please speak to Jodie Barron, our current chair, or Mrs Bain, Principal Teacher, for further information.
