Thursday, 18th April

9am – 12 noon

National 5 / Higher / Adv. H. Chemistry
(Mr E. Varghese & Miss M. McNeill, Rooms 334 & 335)

Changes

Music will now run the Higher and Advanced Higher sessions within a single session.

German will now run as a single National 5, Higher and Advanced Higher session.

Spanish will no longer run.

The high demand for National Maths means that Mr Hall will now run three two-hour sessions of support. Please check the lists outside of Mr Hall's classroom and the LRC to find out which session you have been allocated.

Ms Headrick will post a list of names outside her classroom confirming which pupils have been allocated spaces for the National 5 Biology session.

Please note, Masterclasses will run during Study Leave so pupils will still have another opportunity to undertake some supported study in the run up to the SQA exams.

Registering

Pupils are required to register as they come into and go out of the school; registers will sit on table in the main foyer.
