

ASE Tayside

Science Fair

for student and probationer teachers

ASE Scotland is here to support you as you deliver Curriculum for Excellence, providing its members and others with regular CPD and excellent publications.

Also find out about many other resources available to you, from Dundee Science Centre, the STEM Ambassador scheme, and many more. An opportunity to collect and try out resources, and speak to colleagues from the many organisations that are here to support you.

Students of other disciplines who are interested in teaching are also very welcome.

Wednesday 18th April 2012

1:30 - 3:30pm

University of Dundee, Dalhousie Building: room 1F06

(see www.dundee.ac.uk/general/campusmap)

Free admission; booking not required.
