Fife's Creative Learning Network (FCLN) is delighted to announce their event '**creativity exchange fife**' which will take place on Thursday 8 November 2012 from 3pm-7pm at the Roths Halls, Glenrothes. This event has been developed to showcase the impacts creativity has on Fife's early years, children and young people, the impacts that Fife's creative and cultural practitioners have on creative learning experiences and opportunities and highlights the benefits of creative learning and cross-curricular theme within the overarching context of Curriculum for Excellence. This event is **FREE** for teachers and creative and cultural practitioners within Fife.
