

Curriculum Rationale

Continue to develop our curriculum rationale. Pupil focus groups looking at what we teach and why we teach it.

Learning, Teaching and Assessment

EYOs will review planning formats and refresh PLJ format. EYOs will work to get to know the benchmarks at early level. EYOs will review tracking of learning through PLJs and incorporate ELIPS data.

Create and develop our digital culture

Training for teachers. Teachers will practice what they've learned in the lessons they plan for the children.

Curriculum Rationale

Teachers will work together to decide which curriculum model we will use. They will talk to children and parents too.

Create and develop our digital culture.

Training of pupil digital leaders with responsibility for hardware. Introduce a pupil buddy system where older children will teach younger children.

Curriculum Rationale

We will work out how to include Learning for Sustainability, Developing the Young Workforce, Diversity, Global Citizenship, Outdoor Learning, Children's Rights etc in our curriculum.

Achieve better in our learning

Teachers and PSAs will help children who are finding parts of their learning tricky. Teachers from Aberdour and other schools in the Inverkeithing area will work together to help children with their learning.

**Aberdour Primary School
Nursery Improvement Plan 21-22**

Curriculum Rationale

Teachers will make plans that build up knowledge and skills and include topics that the children want to learn about.

Family Learning

When restrictions allow reintroduce Family Learning Groups including PEEP, Bookbug, Play at Home, Science Bags etc
