Reading
The school will seek parents' views to make sure we are helping parents to support their children's learning in reading at home.

Reading
Teachers will work with Fife's Professional Learning Team to review how we teach reading across the whole school.

Reading
Teachers will work together to make sure our phonics and spelling programmes are reviewed across the school.

Create and develop our digital culture
Teachers will use immersive reader tools and online numeracy tools to deliver lessons in writing and numeracy.

Reading
Teachers will work on the learning, teaching and assessment of reading to ensure that all learners needs are met and they are challenged in their learning.

Create and develop our digital culture
Children will learn how to use immersive reader tools in their writing tasks. Children will use the tools across different areas of the curriculum.

Play
Teachers will learn how to observe children in their play and use this to challenge and extend learning across the curriculum.

Create and develop our digital culture
Digital Leaders will set up a system to celebrate the achievements of children who are using and showing their skills in digital technologies.

Aberdour Primary School

School Improvement Plan 22-23

Play
Teachers will use the Fife Skills Framework to evaluate play and create a progression of skills for learners.

Create and develop our digital culture
Digital Leaders and teachers will develop hints and tips for parents to support their children during home learning.
