

Thank you to all P1-7 parents who completed our baseline survey about Target Setting and Sharing Learning before the Christmas Holidays.

A summary of the responses can be found

here: <https://forms.office.com/Pages/AnalysisPage.aspx?id=oyzTzM4Wj0KVQTctawUZKRTLDSj8sFCuplXi0kUcw9URVo1ODIOVFpFMFAzT0NVTVVEWUg0SkdWNi4u&AnalyzerToken=Ijx4M0esLzcgN8NlgEH60ocaGfDyvg8k>

We have used these responses as well as our own self-evaluation work to plan some school improvement work around target setting and sharing learning.

Next week, all P1-7 children will bring home their targets for the term and these will also be shared on Seesaw. From next week onwards, you will see regular evidence of learning linked to their targets posted on Seesaw (this will happen approximate once per week). This is a piece of school improvement work and we will be seeking your views on this new initiative as the school year progresses.

In addition, we have created a page on the school website called Family Learning. You can access it [here](#)

This page has links to information about how we develop Numeracy and Literacy Skills in school (from Nursery-P7) and about ways you can support your child's learning at home.

Kind regards

Lucy Jess
