Transforming Learning Fife

Our Aim

To provide your child with the tools needed to transform the ways we engage with learning and teaching.

This is an investment in young people to develop their confidence as well as the digital skills they will need throughout their educational journey and beyond.

Transforming Learning Fife

Our Vision

In 5 years time, teachers in Fife will have transformed learning by:

- integrating **digital skills** throughout the learning process to engage and motivate learners
- using technology for **effective explanations** and **modelling** to learners
- providing **personalised learning experiences** and facilitating learners to lead their own learning
- improving **assessment** and **feedback** with digital tools

A Guide to Jamf Parent

Transforming Learning Fife

Showbie - viewing your child's schoolwork at home

By creating a Showbie parent account you can:

- see your child's **assignments**, **feedback**, and **grades**
- receive **email** or **push notifications** about new assignments, deadlines, and feedback

Transforming Learning Fife

Parental Agreement

Fife Council provides P6-S6 pupils with an iPad to support their learning in and out of school. By your child using this iPad, you, as a parent/carer, agree to the following terms:

Responsibility for Parents

- You are responsible for the safe storage and use of the iPad at home
- The iPad should be stored securely when not in use
- If the iPad is lost, stolen, or damaged, report it to the school immediately
- Your child must bring their iPad to school fully charged every day
- No stickers or markings should be placed on the iPad or case
- If your child leaves Fife Council Education, the iPad must be returned to their school

Safeguarding and iPad use at home

The device will support young people's education and creativity – but it also comes with responsibilities around online safety and wellbeing.

How you can support at home

- Talk regularly with your child about their online experiences – what they enjoy, what worries them, and who they interact with.
- Set boundaries for screen time and device use, especially around bedtime and social media.
- Encourage responsible behaviour- remind them what they post online can have lasting consequences.
- Know where to go for help – you can also use CEOP and Fearless to learn more about online risks and how to respond.

**DIGITAL
CITIZENSHIP**

**BEING A RESPONSIBLE DIGITAL
CITIZEN INCLUDES:**

RESPECTING OTHERS ONLINE

**PROTECTING PERSONAL
INFORMATION**

**REPORTING HARMFUL OR
INAPPROPRIATE CONTENT**

The logo consists of a cluster of small squares in various colors (blue, green, pink, purple) arranged in a roughly circular pattern.

Transforming Learning Fife

Helpful websites to support online safety.

CEOP (Child Exploitation and Online Protection)

A trusted site where children can report concerns about online behaviour, including inappropriate contact or content.

<https://www.ceop.police.uk/Safety-Centre/>

CEOP (Child Exploitation and Online Protection)

Fearless by Crimestoppers

A youth-friendly platform offering advice on crime and safety, and a way to report concerns anonymously.

<https://crimestoppers-uk.org/fearless>

Fearless

Full Repair/Replacement Costs

Transforming Learning Fife

Our priorities

To develop our use of assistive technologies

To build consistent routines for sharing work in line with Madras

To develop profiles for My World of Work

To explore new learning opportunities through device access

Transforming Learning Fife

School Expectations

Pupils should bring their iPad to school fully charged every day. They are responsible for its safe transport to and from school.

Damaged ipads should be reported to the class teacher first, or to the school office if not in school hours.

Parents should support children to follow the device user agreement
