Home Learning Overview

Week beginning Monday 8th June

Look at the each class Team to find more detailed instructions for tasks and how to get feedback from your teachers.

English

Continue writing tasks outlined in Team.
Extension vocabulary task also outlined on Team

Miss Bowie's class

Finding and using information

See teams/emails for individual targets, tasks and resources.

Mathematics

Fractions

Miss Bowie's class

Money—profit and loss; discount; hire purchase.

See teams/emails for individual targets, tasks and resources.

Science

Please note that Science classes remain in current S2 classes to allow course completion.

Physics—Physicists are starting work on their sound topic thinking about sound as we know it and sound as waves.

Biology—Biologists are beginning their lifecycles topic with a look at lifecycles in general then focussing on the human lifecycle.

Chemistry— Chemists are learning about researching chemistry starting with some of the weird and wonderful apparatus chemists use to investigate the world around us.

Resources

School booklets & PowerPoints
You Tube videos
BBC Bitesize

Social Subjects

History

Continue Jacobites unit

Modern Studies

Continue Social inequalities in the UK

Geography

Continue Map skills unit

RMPS

Continue 'War and Conflict' unit.

Languages

French/Spanish/German

Continue Family & Friends topic

Continue to extend knowledge of language about relationships and conflict in the context of family and friends.

Technologies

Design & Manufacture

Complete the Research PowerPoint on Metal, and then complete the Sketching Skill Builder Task 2.

Graphic Communication

USB Project—continue Research Page and Logo Design. Some may move onto Ideas.

Business

Sources of help and advice for businesses.

Administration & IT
