Primary One Family Learning Grid – Term 1

The tasks on each home learning grid are designed to cover a variety of curricular areas and important life skills as well as making connections with the United Nations Convention on the Rights of the Child. The UNCRC promotes children's rights including the right to education, family guidance and rest, play, culture and arts. **Completing at least one task a week** allows children the opportunity to make links between these rights at school and at home.

I can cross the road safely with an adult. ☐	I can learn some nursery rhymes/songs and share them with others. ☐	I can identify and create a pattern using shape and colour. ☐	I can be active by going for a local walk with my family. ☐
