## Shoes

Please can you help us. Our wonderful cleaners work so hard to make sure our floors are nice and clean and safe. Can we make sure we are bringing an extra pair of shoes to school? We want our children to have the chance to play outside on the grass but this is the time of year when it is more muddy and wet. An extra pair of shoes will help keep our floors clean and safe. If anyone needs any help with this please let the school know.
