- Please remember to put names on all children's belongings; especially jumpers. We have lost jumpers already.
- We no longer use SeeSaw in P5-7; please look out for Groupcall messages and emails. Children should also log into Teams for homework and sharing learning. N-P4 will continue to use SeeSaw.
- We know it is busy in the mornings but please encourage your child to remember their snack. If you have any difficulty providing this please let us know.

Thank you to all who could attend our family picnic, thankfully the sunshine held out for us! Have a lovely weekend!
