### Messages

- Snacks - we know it is busy in the mornings but please encourage learners to remember their snacks as an increasing number of children are reporting not having a snack./not liking their snack We can normally accommodate this with fruit. As always, if you have any financial difficulty with providing snacks please let us know.

We had a very exciting visitor today; Mr Donnie Mac-Leod - Executive Director of Education for Fife Council took time out of his busy calendar to visit us! He was very impressed with all of our lovely learners! Well done to them and thank you all! Have a lovely weekend!
