SU Scotland Schools

SU GROUP

EXPLORE THE BIBLE TOGETHER

Come along for fun, games, chat and to hear about the amazing things in the Bible.

WHEN Thursday lunch

WHERE The Bookery

Car Parking Staff Car Park: Parents are reminded not to park in the staff car park. School tax is and pupils with mobility needs must have access to enter school. Please also be considerate of our neighbours on Maynard Road and the Canongate as some driveways/vehicles have been blocked.

Toy Drive 2024: We are a collection point! Please donate if you can as per notice on the left—new and unwrapped gifts to be donated to the office or the nursery.

Phones in School: Children should not have their phones in school unless absolutely necessary to assist with end of day contact with parents. When they enter the school grounds in the morning their phones should be turned off and remain unused until 15:00. They can hand them into teachers but Fife Council accepts no liability for phones. Absolutely no use of the phone including photography/videography is permitted on school grounds. Our Friends of Canongate are looking into 'Smart Phone Free Childhood' materials currently.

Panto Raffle Donations/Collections: Please contact a member of Friends of Canongate if you wish to support this and help with donations/business collections.

Byre Panto Payments: We are still looking for payments for the Byre Panto (£11).

Have a fantastic weekend everyone!
