Using the School Grounds Before & After School: We are aware the light nights are coming soon. We are unable to supervise or give permission to use the grounds to play/play football before and after the school day. If children are playing in the grounds after school they should be supervised by an adult; this is due to safety concerns.

Playground Litter: Please ensure all rubbish is placed in the bins provided when on the grounds with your child. Sadly our janitor has had significant amounts of litter to clear this week accumulated after 14:30 and before 09:00.

Netball Team Final: Congratulations to our Netball Team who came second in Fife at the Active Schools tournament! Beaten only by goal difference!
