- **Ambition—Times Tables Focus:** Children's ability to access many areas of the numeracy curriculum is directly impacted by their ability with their times tables. We are focussing on this as a school in the coming terms and would love for parents to support this journey. More details to follow.
- **Homework:** We have noticed a fair number of learners are struggling to remember to bring their homework folder, reading book and reading record in. This creates difficulty in exchanging a new book, recording the expected pages etc. Please ensure homework folders are kept in school bags at all times to avoid this issue.

- **Panto £11:** Please ensure all payments for the Panto are in this week.

Have a lovely weekend!
