- **Raffle Hampers, from FOC:** Hi everyone! We're building Christmas Hampers for the school raffle and would love your help! Please use the link below to choose an item to donate. Just pop your name next to the item and hamper you want to contribute to. Then drop your item into the school office by 8th December, labelled with the hamper number.

Thank you so much for your support — it'll really help make the raffle a success!

- **Fife Young Carers Christmas Fundraiser:** Please see attachment to this week's email with a QR code to donate to this charity close to our hearts.

- **Ambition—Times Tables Focus:** Children's ability to access many areas of the numeracy curriculum is directly impacted by their ability with their times tables. We are focussing on this as a school in the coming terms and would love for parents to support this journey. More details to follow.
- **Homework:** We have noticed a fair number of learners are struggling to remember to bring their homework folder, reading book and reading record in. This creates difficulty in exchanging a new book, recording the expected pages etc. Please ensure homework folders are kept in school bags at all times to avoid this issue.

Have a lovely weekend!

3 weeks until the holidays!
