20/04/26 Term 4 Begins—Pupils Return 0900

- **Book Amnesty:** We know that it is sometimes tricky to keep track of reading books once they come home but we need to ask that everyone have a good hunt at home, under beds etc for reading books from school; ORT books and novel studies/plays/non-fiction. We are finding it very difficult to provide 'group readers' to reading groups as many copies are not being returned and therefore sets are incomplete. Please hand into your child's class or the office. Many thanks.

- **Instrumental Concert:** Please sign up using the link below: [Spring Instrumental Concert, 31st of March, 2026](#)

'Glee Club' Esprit de Glee Winners!: Congratulations to our Glee Club and a big thank you for all their hard work and the support of the wider school and all of their parents! In Tayside Heat 1 at the Caird Hall we won the 'Esprit de Glee' prize for demonstrating the most Glee like values; teamwork, joy, nurture, enthusiasm, having fun, supporting other choirs and having great manners! Well done! Our score will be collated with the other Fife schools after the 19th March and we will find out if we have progressed to the Regional Final on the 8th May at the Alhambra in Dunfermline. We even made the front page of the Courier newspaper!

- **Fresh Air Frankie Survey:** Fife Council support schools to have safe and sustainable school travel plans for our school community. In order to do this they seek data on how our learners travel to school. Please take 2 mins to complete the following survey:
