- **Welcome to New Staff and a New Class:** We have a lovely new PEP Class called Maple operating on a Mon, Tues and Wed. We have lots of lovely new staff this session: Miss McGregor in P5M, Mr Jonathan White NCCT P6 and P7, Mrs Easton NCCT P5C and P5M, Mrs Grieg Supply PSA, Mrs Innes PSA PEP Maple, Mrs Bowie PSA Maple and Mrs Auger Teacher Maple.
- **School Improvement Plan:** School improvement priorities for this session are continuing Transforming Learning and use of iPads, Reading Skills, Drama, Celebrating Achievements and Celebrating Diversity and Anti-Racist Education. More information to follow on each development.

- **WhatsApp Group Chat Use:** You will have received a separate letter from Fife Council with regards underage use of WhatsApp and growing concerns around its' use by children. Please remember the recommended age is 13+. Helpful links contained within the letter sent to support parents and children.

- **Young Carers:** Please see flyer attached to this email for 'Fife Young Carers'. This is a fantastic organisation who support young people in Fife who have caring responsibilities to access support and respite.
- **Celebrating Diversity and Anti-Racist Education:** To start our journey on this school improvement priority we would love to know more about the diversity in our school family. Children have been tasked with finding out about their heritage; where they were born, where their parents/step-parents/grandparents were born, if they have lived in other countries etc. Please support children with conversations around this.
