Canongate Primary

Week Beginning:
31st August 2026

Messages:

- **Medications:** Mrs Stothers and Mr Spencer are working hard to keep everyone safe and healthy! If your child requires 'Emergency Medication' you will have had an email this week about a Health Care Plan. If your child requires any other medication please contact school office for 'Administration of Medication School/Self' forms. ALL MEDICATION should have a pharmacy label with child's name, DOB and dosage printed clearly on it. We can no longer accept medication without this; not even Calpol. Please seek labelled versions via 'Minor Ailments' at pharmacy.

Messages

- **Sunflower Competition:** Thank you and well done to everyone who remembered to bring their sunflowers in today. There are some very impressive efforts! If you'd still like to enter our competition, then please bring your labelled sunflowers (or a photo) on Monday. We will announce the winner at next week's assembly. Thank you!

- **Free School Meals & Clothing:** Please remember to apply for your 'Free School Meal and Clothing' entitlement if you think you would be eligible. Although P1-P5 all have free school lunches, P6 and P7 do not and as such have to be paid for unless applied for. In addition your child would be entitled to free milk and other benefits such as £130 towards clothing. Well worth the application. Apply at: <https://www.fife.gov.uk/education/schools-in-fife/free-school-meals-and-clothing-grant>

- **Friends of Canongate (FOC):** Friends of Canongate will be having their first meeting for the year on Monday 7th September at 19:30. They are always looking for new members to help and reps for each class. If you are keen please email: friendsofcanongate@gmail.com Link for the meeting will be available from them and will be on Zoom.

- **Staff Car Park/Pavement:** Please use the pavement for safety at all times when walking through to playground gates or nursery. Parents are not permitted to park in the staff car park at any time unless by prior arrangement with SLT. Children attending our PEP require taxi escort and have now got an area marked off in red to denote NO PARKING.

- **Playground Use After 15:00:** We love having families use our grounds after the bell however, we are having increasing difficulties with toileting, rough play and equipment use. Please ensure children use the toilet before the bell in their class as staff are not in a position to grant access for toileting after 15:00 (staff will remind them). Please also ensure close supervision of your child at all times as staff cannot be responsible for any incidents after school (there have been an increasing number since before the holidays.) Children also cannot use school balls at this time and must use their own as we are losing many, which hampers P.E. and break/lunch fun!

Have a lovely weekend everyone!
