- **Diversity and Anti-Racist Education School Development Update:** Parents who indicated on the Form at Parents' Night will be emailed to invite you to meet to begin work on our school improvement priority. If anyone didn't manage to complete this or who still wishes to offer their support to the parent working group please email the school office. Mrs Beckett shared the plan with Friends of Canongate on Monday and further details will be shared at the launch at the Parents' Nights. The children's group have begun collating your homework today and are working on the updated 'Welcome' board at the fish tank with all of our school community flags of the world. Thank you!
