Canongate Primary

Week Beginning:
5th October 2026

Important Dates T2:

- Monday 26th October 0900 Children Return T2

Messages:

⇒ **Coffee Morning Home Baking:** A plea for home baking for our 'Cake and Candy' stall at the coffee morning! We will be looking for lots of home baking (No NUTS, all allergens labelled as we are an allergy aware school.) Please deliver to school office or P3 classroom on Thursday or Friday morning before/at 0900. Please make sure your boxes are named.

Messages

- **Open Classrooms & Coffee Morning Friday 9th October:** Parents are welcome to join all of our classes to share our learning from 09:10. Our P3 class will then be leading our annual charity coffee morning in the hall from 09:40—10:30. Parents are welcome to take children to the coffee morning by signing them out of class and returning them before break. P3's parents are welcome to support setting up the coffee morning. P3 are looking for donations of:

- ⇒ Raffle Prizes, Tombola Prizes, Small items for 'Lucky Dip', Home Baking (No NUTS, allergens labelled, Unwanted Toys and Books.
- ⇒ Please hand donations into P3 or the school office. All donations gratefully received.

Many thanks from P3!

- **Safe Parking/Road Safety:** Our Community Police Officers will be patrolling at some collection times for us due to an increasing number of people parking un-safely on the zig-zags and obstructing two way traffic. We have also been talking in assembly about safe scooting and cycling with helmets due to a few 'near misses' in the surrounding streets. No children should ride scooters or bikes at any time in the grounds.

Toys and Squishies: Please be aware that there is an increasing amount of toys and 'Squishies' coming into school at the moment. Children may only bring in 1 settling object or fidget toy if there is a prior arrangement with the Class Teacher for stated needs. Children are aware of our school value of 'Equity' and that not every child requires items from home. Children can also be provided fidget toys in school when they are required. Please also be aware of the recent press warnings around the chemical contained within 'squishes' that can be harmful. These burst easily and can cause mess and injury.

- **Dunhill Golf:** Children can attend the Alfred Dunhill Links Championship for free from 1st-4th October. Please scan QR code below for tickets:

**ALFRED DUNHILL
LINKS CHAMPIONSHIP**
