A message from Mrs Stewart ...

It feels like summer has arrived early! Lots of our classes have been enjoying time outdoors and Funky Friday has been much better in the sunshine!

We have lots of events coming up over the next wee while (see key dates above). Remember to get used to checking our school website too as lots of information has been added here!

Reports

Pupil reports will be issued on Friday 13th June. This will show your child's progress in literacy, numeracy and health and wellbeing.

We look forward to sharing these with you.

Classes 25/26

We are still in the process of finalising numbers for next year. Once this is done, we will be able to share with you more information on classes compositions and teachers for 2025/26.

Cardenden Chit Chats and House Huddles

We had our first Cardenden Chit Chat this term. This gave us an opportunity to discuss things we do and expect at Cardenden. We talked about our routines, our consistencies, our rewards and any consequences that happen in our classes. At the end of this newsletter, you will see our one-page document which helps us to remember what is expected of us all.

This will be added to as we develop our Curriculum Rationale next session.

Parent Feedback ...

Thank you for sharing your views and opinions with us through the different Forms I have sent out. This is really important to help us know what you would like us to change. Here is an update on what you have told us already ...

- Curriculum Rationale and House System – the responses to this survey have shown us that the majority of parents (and pupils) agree that our House System needs a revamp. We are in the process of gathering your opinions and will keep you posted as this develops.
- Lock gates – responses to this were mixed. We need to think about this further and will update as this happens.
- Uniform – almost all parents agreed that we should have a focus on school uniform (including PE kit). More info will come on next month's newsletter.
- Zones in Playground – again, responses were mixed. This is something we will consider further before implementing.

Parent Council – Summer Fayre

Exciting plans are underway for our **Parent Council Summer Fayre**.

This will be held on **Saturday 14th June** from **10am until 12.30pm**.

Do you have any old teddies you can donate for our teddy tombola for the Summer Fayre? Please bring to Mrs Stewart if you do!

Football

Our P6/7s made us proud last week when they returned to school with a trophy for Team Spirit after playing in the William Duncan Tournament. Well done everyone!

Trees

We are fortunate enough to have a massive playground with beautiful spaces to play on concrete and on grass.

Unfortunately, we have had some issues recently with some pupils climbing trees and either getting stuck or hurting themselves. We have discussed this at assembly but would appreciate it if you could have a chat at home about this too. Thank you for your support.
