A message from Mrs Stewart ...

What a busy term we have had. It's lovely to see our pupils settling back into school life, especially our P1s who have done a great job at learning the **Cardenden Way** in a short space of time.

We enjoyed welcoming you along to our **Meet the Teacher** event and hope you enjoyed seeing around your child(ren)'s learning environment.

I hope your children have come home and shared the good news about their class spending! Every class was set at challenge at one of our first assemblies together and I am delighted to say they all passed, meaning they have money to spend on resources for their class. This will be decided through a class **Cardenden Chit Chat** – we can't wait to share more about this with you next term.

We would love to welcome you along to our first **Parent Workshop** on Friday 26th September and would appreciate your views on what the focus on this should be. You can share these [here](#).
