A message from Mrs Stewart ...

What a busy first month back. We appreciate your understanding last week when we had issues with our heating. Thank you for your patience and understanding with this.

We would like to ask for your help at drop off times for Explorers. This is often very busy, and some children can find it difficult to separate from their adult. Please can you support us by dropping off and saying goodbye in the cloakroom to help us minimise the number of adults in the playroom. Thank you for supporting us with this.

Staffing Update

- We would like to welcome Joan back to our nursery setting. Joan is back with us on supply, 3 mornings a week in Explorers. We are delighted to have her back with our team and are even more delighted she will be staying with us until the summer.
