Carleton Primary Newsletter

Welcome to our first newsletter of the new school year! There is a buzz around the school where relationships are building, new routines are being established, and we are settling down to the business of learning. We are gearing up for what we hope will be a year packed full of fun, effort and achievement, where we can enable our children to become Successful Learners, Confident Individuals, Effective Contributors and Responsible Citizens. We look forward to welcoming our parents in to our soft start sessions this term, details below. We have made the sessions 40 mins to allow you to spend time in more that one class should you have multiple children in the school.
