CARLETON

Welcome to term 4!

Hello Everyone. Term 4 is well underway and the school is a hive of activity with preparations for our whole school show taking shape. The dates of the show are detailed below, we would love to see you there to help celebrate 70 years of the school. We also welcome any contributions to our Hall of Fame, a display of photos and memorabilia from over the years, further details are below. We have a busy term ahead and are continuing to build on our Curriculum Rationale - we will shortly be gathering your views on what we do at Carleton and we look forward to working together to get it right for our children and families. Hopefully this term will bring the sunshine to Woodside!

Maxine Hayes and the Carleton Team ❤️

SCHOOL NEWS

70TH CELEBRATIONS

We are very excited to be celebrating Carleton's 70th birthday this year. We will be holding a whole school show (dates above), where each class has chosen a decade to celebrate. We will have displays in our crush hall with photos of staff and pupils from the past for you to browse.

Should you have any photos you wish to share, please email them to the school office or hand in to the office for us to copy, many thanks. We will also be holding a 'Through the decades' danceathon to raise money for school funds.

SCHOOL SHELTER ARTWORK

We are delighted to have Donna Forrester involved in updating our school shelter artwork. She is creating a design which includes ideas from all of the pupils about what they like about Carleton, and will be involving pupils in the painting process at the beginning of June.

School App for Parents

Please download School App for Parents that lets you see news, events and receive important messages.

Scan the QR Code or search for School App for Parents in the Google Play or Apple App Store. Please see Terms and Conditions. The app allows access to our school calendar to view our events, news and message messages.

Available on the App Store | Get it on Google Play

To report an absence, please call the school office or send a message through Groupcall. Please do not email the school to do this, thanks.

BUILDING WORKS

Our school is undergoing some building and painting works over the next few months, including the painting of some classes, toilets and communal areas, as well as the installation of new windows across the school. Some of the work will be carried out during holiday periods where possible, but we are fortunate to have alternative spaces in our school where classes can work whilst improvements are being carried out.

SCHOOL TRIPS

This term each class will be going on a school trip to engage in learning outside of the classroom. Details of your child's trip will be given by letter in due course. In line with consideration of the cost of the school day, we will be asking for a maximum of £10 towards your child's trip. Any further costs will be covered by school funds.

SMOKING/VAPING

We have been made aware that parents are smoking and/or vaping in our infant playground. Smoking or vaping is not permitted in our playground for obvious reasons, please refrain from doing this until you are out with the school grounds.

COMMUNITY ENGAGEMENT

If you are a club or group you are welcome to come and display information during our parents evenings. If you are available to help with school trips or join our parent council we would love to hear from you too.

CARLETON COMMUNITY COOK BOOK

Our Carleton Community Cookbook is taking shape and will be available later in the term. If you have any recipes you would like to donate, please email or hand into school ASAP, thank you.

P7 LEAVERS SWEATSHIRTS

Current P6 pupils have received an order form for a P7 leavers sweatshirt, the cost of which is subsidised by school funds. Our sweatshirts fall in line with our expected school uniform whilst displaying the leavers logo on the back. These should be available to collect during our August in set days.
