# Carleton Primary Newsletter

Welcome to our first newsletter of the 23-24 session. I want to begin by thanking everyone for your support and understanding whilst we had to reshuffle our classes last week. Our pupils have shown great resilience and teamwork, and we are so proud of how they took this in their stride. We have had to reschedule a few dates due to this, which we have shared below. We have also rescheduled our Parents evening dates and will send out information in the first week of the new term. You will have received notification from the Council that all schools and nurseries will be **closed due to strike action on Tuesday, Wednesday and Thursday of next week**. Teaching staff will be posting learning grids and links to websites each morning on Seesaw. Log in information was sent out this week, please ensure you have activated this before next week. ### Parent Council

Our next parent council meeting will be on Wed 4th Oct @ 6pm where we will be making plans for an Autumn/Winter fete. Please contact the school if you haven't attended before but would like to.

### Pupil Leadership Groups

We are keen for every child in our school to be involved in School Improvement and will be shortly creating Pupil Leadership Teams involving everyone to hear about what and how we can improve Carleton. Our P7s have been given leadership roles and are busy making plans on how to embed our values across the school, playground and community. Here is our Pupil Executive Team—made up of Head Girl Belle, Head Boy Brandon, and Deputies Jessica, Connie, Rebecca, Charlie, Cole and Alfie. More photos of the rest of our leaders to follow.

### JRSO Road marking launch

Our JRSOs designed our playground road markings that were painted during the summer holidays. It is fantastic to see how many pupils are bringing bikes, scooters and helmets to school to make use of the markings during break times, and to see families come along after school and at weekends to use it. A team from Fife Council's transportation department came along with Councillor Derek Noble to launch the road markings this week. The Junior Road Safety Officers presented their winning Roadstars Rap that earned the first prize of £500 to pay for the painting costs, and pupils were treated to a cycling proficiency lesson from Shelagh Craib from Bikeability.

Look out for photos of the event in the press!
