Resilience Skills	I can follow classroom and school rules	
	I can understand my own behaviour and how others behave	
Responsibility Skills	I can complete simple tasks independently	
	I come to school prepared and can organise my resources	
	I am beginning to show some understanding that wrong choices can result in consequences.	
	I can apply skills I have learnt across different curricular areas	
	I can talk about some jobs which I may have in the future and what skills I might need for these	
	I can use knowledge and skills I have learnt to solve simple problems with support	
Communication Skills	I can complete tasks given to me with/without help	
	I know when someone says I am good at something	
	I understand when someone says I have to try harder	
	I can recognise how people's faces can show how they feel	
	I can explain how to help others	
	I can say why having jobs in school is a good thing	
	I can work out problems I may have in the playground/class	
	I can explain why we are all the same, yet different	
	I can accept that it is not always possible to just do what I want
