

## Successful Learner

### P3-4

<b>Organisation Skills</b>	I can focus for a reasonable length of time	
	I can order my learning jobs and finish work on time.	
	I can name the skills I have, say which tasks I feel I am good at and discuss why	
	I can plan how to work through a problem and show others the steps I have taken	
<b>Resilience Skills</b>	I recognise my skills and abilities and talk about my next steps in learning	
	I can use praise and feedback to set goals and improve my learning	
	I can apply my learning and skills across different areas of learning	
<b>Leadership Skills</b>	I can recognise achievement as well as giving and accepting feedback	
	I can recognise the skills of others.	
<b>Responsibility Skills</b>	I am willing to learn new skills and keep trying even when I find something tricky	
	I can talk about my own and others' performance	
	I can talk about what I already know and use this to set personal goals	
<b>Communication Skills</b>	I can show how a positive attitude can support how well I do	
	I can use different ways of communicating	
	I can present information to others in a way they can understand	
<b>Creativity Skills</b>	I can learn about the world through play and by making things	
	I can show my understanding through different creative activities
