

'Quick' Guide to Assignments

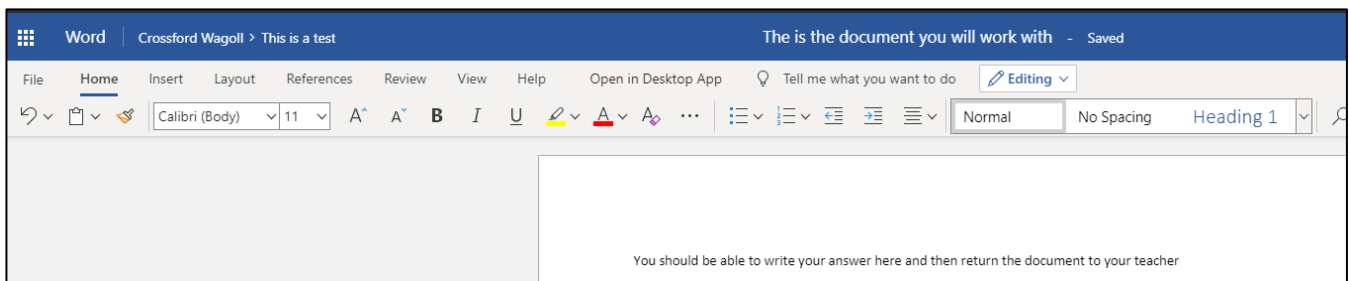

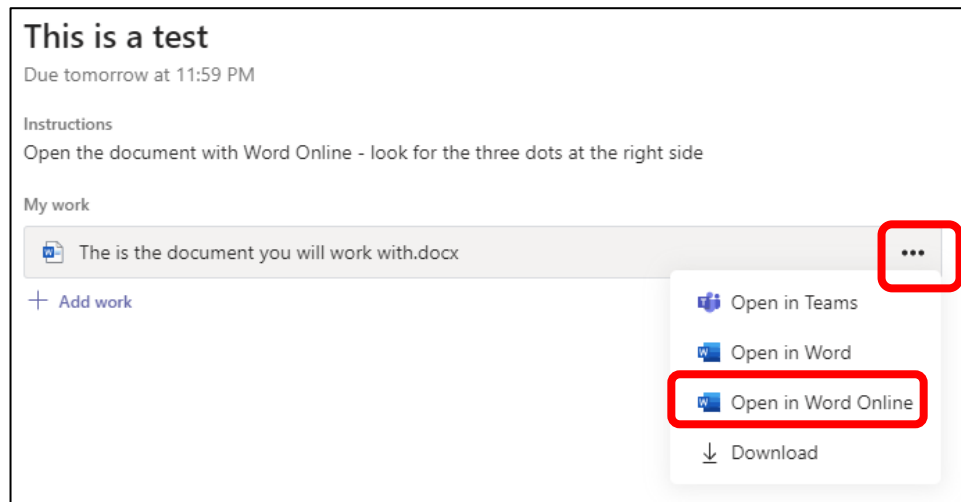

The Assignment will show the General channel

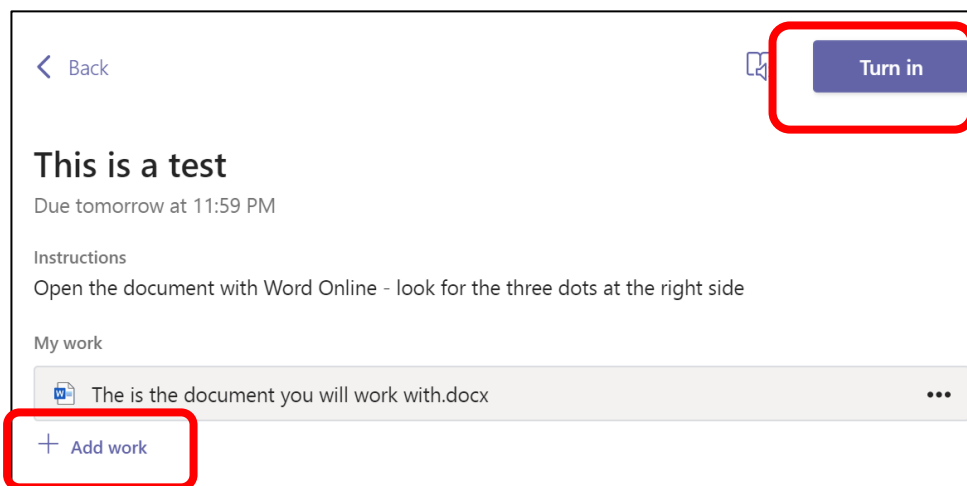

Click on **View assignment**

Click on the **three dots** at the right hand side and choose **Open in Word Online** - this means that you don't need to save anything - it should do things automatically

When you are finished just close the window - it will be automatically saved.

There is an **Add work icon** if you want to attach other files/photos

When you are finished click on **Turn in**
