FIFE COUNCIL EDUCATION SERVICE

WHAT WE STAND FOR

The Education Service in Fife plays a key role in taking forward the wider aims of Fife Council. As part of the Education and Children’s Services Directorate, our vision and what we stand for is “**Improving Life Chances for All**”.

THE VALUES AND PRIORITIES OF THE EDUCATION SERVICE

Our approach towards “**Improving Life Chances for All**” is founded on the values of Compassion; Ambition; Respect and Equality as we develop the capacity of young people to become:

- Successful learners
- Responsible Citizens
- Confident Individuals
- Effective Contributors

The four priorities of the Education Service are Educational Outcomes, Employability skills, Equity and Equality and Enhancing Opportunities for Vulnerable Groups and Individuals.

The themes supporting the 4 priorities are shown below.

Educational Outcomes focusing on	Employability Skills focusing on
<ul style="list-style-type: none"> ● Improving Outcomes for Learners including a focus on raising attainment in Literacy and Numeracy ● Developing Excellence in Learning and Teaching ● Building an excellent Curriculum 	<ul style="list-style-type: none"> ● Universal learning programmes to ensure all young people learn about careers and develop recognised employability skills ● Focussed programmes to ensure particular groups are guided towards specific careers, especially as they enter the senior phase ● Targeted programmes of learning to ensure we make effective provision for those most at risk of finding a negative destination when leaving school
Equality and Equity focusing on	Enhancing Opportunities for Vulnerable Groups and Individuals Most at Risk
<ul style="list-style-type: none"> ● Breaking the cycle of disadvantage including reducing the attainment gap ● Early Years ● Supporting children, young people and families 	<ul style="list-style-type: none"> ● In our focus on Educational Outcomes, Equality and Equity and Employability we will target our work towards improved outcomes for disadvantaged groups and those individuals most at risk

These priorities and themes and the associated actions are described in the Education Service Plan and are reflected in the work of the school.

The information contained in this booklet refers to the current school year and is accurate at the time of publication.

We hope this information will be helpful to you and will answer many of your questions about the school. Should you have any further enquiries, please do not hesitate to call in at the school where we shall be pleased to help you.

Dear Parent

Culross Primary School is a small school set in the historical village of Culross. The main school building has 4 classrooms. There is a dining/gym hall, a library, a resource area and office accommodation. We opened one of our classrooms as a Confucius Classroom in February 2018 and we have two Hanban teachers based here. As well as teaching all P7's in the Queen Anne High School cluster they offer immersion days for all pupils across West Fife and Queen Anne High cluster schools. We have a large playground and grassed area, which is used to its full advantage throughout the year for play, sports, outdoor learning and Eco-activities, including the John Muir Award and Natural Connections. We have four committee groups that all pupils take part in throughout the school year; ECO committee, Rights Respecting Schools Committee, Pupil Voice and Enterprise Committee. We also run Friday Fit Groups which promote skills for healthy emotional, mental and physical wellbeing. We promote active travel to school using the WOW Travel Tracker.

We follow the The Curriculum for Excellence where learning and teaching focuses on all curricular areas, ensuring balance, breadth, coherence and depth. Children have the opportunity to be taught cello from P5 onwards. We have a Support for Learning Teacher based in school to support and challenge where needed.

The Parent Council is very supportive of the school and the fundraising branch supports the school through fundraising and organising fun events.

A residential excursion is offered to P6/7 every year to Ardroy Outdoor Education Centre, and now for P5/6 to Fordell Firs. We also offer a variety of sports in addition to the PE curriculum. We have been awarded our Silver Sports Scotland Award which we are very proud of. We run a Bikeability award every year for P6/7. We are also a Health Promoting School. Our Primary 4/5 run a healthy tuck shop - Monday to Friday. We provide school dinners which are brought in from Camdean Primary School. All Primary 1 - Primary 3 receive free school meals. We have recently been awarded Level 1 Rights Respecting School Accreditation.

We ensure the pupils of Culross Primary School are successful learners, confident individuals, responsible citizens and effective contributors.

There is a Breakfast Club which is run by the school weekdays 8am-9.15am, for more information please contact the school directly on 01383 602453.

There is also an Out of School Club which runs weekdays from 3.15pm - 6pm and all day Mon-Fri during school holidays. Children from surrounding villages and Culross pupils are

welcome to attend. for more information please contact 07872424629.

Yours sincerely

Jillian Mellis
Headteacher

SCHOOL ETHOS

At Culross Primary School we aim to create a positive ethos, celebrating success and providing high quality learning experiences for all.

At Culross Primary School our vision is:

- **"Be the best you can be!"**.

Our key values are:

- **Honesty**
- **Fairness**
- **Caring**
- **Hardworking**

We aim to:

- **Present opportunities and experiences for all achieve their full potential, develop ambition and skills for life.**
- **Provide a healthy stimulating environment where everyone feels happy, safe, equal and included.**
- **Be part of the wider community that works together, shows respect and responsibility, and values diversity.**

We celebrate achievements, in and out of school, on a weekly basis at our whole school Together Times. Achievements are displayed for all to see on our achievement board in the school hall. Pupils receive a QAHS Cluster certificate to celebrate achievements in the four capacities. We track our wider achievements and achievements in learning on our individual profiles.

We are an important part of the local community and have many links with our local and surrounding area. We work closely with our Parent Council and Fundraising Committee, The Culross Burns Society, and have links with the Community Council, Culross Abbey, and local businesses.

As an ECO and Health Promoting school our pupils have a sound understanding of the need to be global citizens and effective contributors within their local community. In line with Fife's policy we use restorative approaches when managing pupil behaviour. Our children and staff work together through our Rights Respecting Schools Class Charter to ensure we are 'ready', 'safe' and 'respectful'.

BUILDING

The school, set in the historic village of Culross, is a two-storey building. There is disabled access to the downstairs area, which has two classrooms (one is the Primary 4 -7 class, the other is Primary 1 - 3) toilets, staff room, small multipurpose room used by support staff, main hall, library area and offices.

Upstairs there are two classrooms, toilets and a teacher resource area. One of these classrooms is used for Music and Drama, the other is our Confucius Classroo which opened in Feburary 2018. As part of our Eco-School initiatives we have improved our playground by developing a wildlife garden, planting a maze and purchasing new playground equipment. To the rear of the school there is a playground which is partly tarmacked and partly grassed, with a small garden area. We pride ourselves in being an Eco friendly school. A cycle path runs along the back of the school and we encourage children and parents/carers to enter the school via this path. Some children cycle to school, we have upgraded our bicycle stands and are now accredited as a cycle-friendly school.

Other Information

We work closely with families and contact can be made through the school office to arrange an appointment with either the Class Teacher or the Head Teacher by telephone 01383 602453 or by email: culrossps.enquiries@fife.gov.uk

We will aim to work in partnership with parents/carers to ensure the best for all pupils.

If you have any questions regarding your child attending Culross Primary School please contact the school office on the details above. We will be more than happy to provide you with the information you require on visiting the school or enrolling your child.

NAMED PERSON

The Children and Young People (Scotland) Act 2014 includes making a Named Person available for every child, from birth until their 18th birthday (or beyond, if they are still in school). In most cases, the Named Person will not have to do anything more than they normally do in the course of their day-to-day work.

Most children and young people get all the help and support they need from their families, from teachers and health practitioners, and from their wider communities – the Named Person does not change these roles.

However, some families may need extra help and that's where the Named Person comes in. This means that the child and their family have a single point of contact who can work with them to sort out any further help, advice or support if they need it.

The Named Person for your child is Mrs Jillian Mellis.

SCHOOL HOURS

Morning:	9.15am - 12.50pm
Interval:	10.55am - 11.10am
Lunch:	12.50pm - 1.35pm
Afternoon:	1.35pm - 3.15pm

SCHOOL UNIFORM

We encourage all pupils to wear the School Uniform as we believe it looks smart, is practical, reduces 'dress code competition' and is economical.

School ties and book bags can be purchased from the school office, or alternatively these and the rest of the school uniform can be purchased direct from our supplier, Border Embroideries:

<https://www.border-embroideries.co.uk/schools/culross-primary.html>

The uniform comprises of a red or black sweatshirt, white polo shirt, black or grey trousers - skirt or pinafore. The school tie is black and red and is usually worn with a white shirt. Red fleeces can also be purchased.

White crew neck t-shirts can be purchased as part of the gym-kit. Gym -kit is shorts, t-shirt, light soled gym shoes and sometimes a tracksuit is required for outside sports.

The School Uniform is very popular and pupils wear it with pride.

SCHOOL CLOTHING GRANT

We can provide free school meals and a school clothing grant of £100.00 per child if you are on a low income.

To qualify for free schools meals and school clothing grant you must be in receipt of one of the following:

- Income Support
- Job Seekers Allowance (Income Based)
- Employment and Support Allowance (Income Related)
- Child Tax Credit only with annual income below £16,105
- Child Tax Credit & Working Tax Credit with annual income below £6420
- Support under Part VI of the Immigration & Asylum Act 1999
- Universal Credit including those with a take home of pay of up to £610 per month
- Long Term Incapacity Benefit (school clothing grant only)
- Widows Allowance if not in full time employment (school clothing grant only)
- Child Tax Credit & Working Tax Credit with annual income below £69,00 (school clothing grant only)

If you don't meet this criteria but your child is in P1-3, they can still receive free school meals. Free school milk will only be given if the above criteria is met.

ENROLMENT

Children who reach the age of 5 on or before 17 August 2020, must normally start school in August 2020. Children who reach the age of 5 after August 2020, but before 29 February 2021, may also start school in August 2020, though parents are not obliged to send their children to school until the first entry date after their fifth birthday.

Parents of children in either of these categories are asked to enrol their child at their catchment school before Friday, 31 January 2020.

Choice of School

Parents have the right to make a placing request for the school they wish their child to attend. This applies whether the child is about to start school or whether he/she is already attending primary, secondary or additional support needs school. Parents wishing to send their child to a school other than the catchment school should apply to the school of their choice as soon as possible and, in any case, before 15 March 2020. Parents must also enrol their child at their catchment school to ensure a place is available if a placing request application is refused.

Headteachers must provide information to parents on how to make a placing request for the school of their choice. In the case of children starting school for the first time 'Choosing A School – A Guide for Parents' is available online at www.scotland.gov.uk. Individual school booklets will be provided by the Headteacher of individual schools and can be accessed online at www.fifedirect.org.uk. School catchment areas can be accessed online at www.fifedirect.org.uk/catchmentchecker

SCHOOL MEALS AND MILK

School meals are provided in all primary schools and meet the Scottish Nutritional Standards.

Meals are provided free of charge for all pupils in Primaries 1 – 3.

Your child can select two courses from:

Home Made Soup or Daily Dessert or Fresh Fruit

Plus

The Hot Dish of the Day or Filled Baked Potato or Salad

Plus

A Glass of Milk or Water And Unlimited Bread and Salad

The current cost of a school meal is £2.20 (from 1st April 2019 to 31 March 2020).

P1-3 receive free school meals and P4-7 can pay for dinners via iPay.

SPECIFIC DIETARY REQUIREMENTS

Fife Council is committed to providing a school meal service to all pupils who require them and will provide a specialised dietary service for certain children through discussion between the child, parent/guardian, and the school. Special diets will be provided on the basis of

- Religious requirements
- Cultural/ethical reasons
- Therapeutic diets will be provided on the basis of Medical conditions (as recommended by a doctor or dietician.)

It is not possible to meet individual requests for diet unless they are based on the reasons above.

If the child is known to have an allergy to nuts/nut products then our Allergies – Policies/Guidelines should be read in conjunction with this policy.

SCHOOL MILK

Fresh chilled milk is available in all Primary Schools, and currently costs 24p per carton (from 1st April 2019 to 31 March 2020).

Milk money is termly and can be paid by iPay.

WATER IN SCHOOLS SCHEME

All pupils have access to chilled water throughout the school day.

HEALTHY TUCK SHOP INITIATIVE

A healthy tuck shop can help encourage children to adopt good eating habits. Therefore as part of the whole school approach to food schools are being encouraged to establish healthy tuck shops within their schools. The Food in Schools group has developed a Healthy tuck shop/Vending policy which gives schools guidance on suitable products for inclusion in a healthy tuck shop initiative.

CURRICULUM

Fife schools follow Curriculum for Excellence, a national framework which is providing our children with learning experiences and opportunities to prepare them for learning, life and work in a changing world. Children learn actively in eight different curricular areas following a curriculum designed by each school to reflect their particular needs and circumstances.

All schools follow the same principles in designing the curriculum, aimed at ensuring that children have the experiences and opportunities to become –

- Successful Learners
- Confident Individuals
- Effective Contributors
- Responsible Citizens

Literacy, numeracy and health and wellbeing are addressed throughout the curriculum and children's wider achievements are fully recognised and celebrated, reflecting the value given to wider learning and children's experiences out of school.

Children are fully consulted throughout their learning and in decisions about what they learn and how they learn it. There are opportunities throughout the school year for parents to receive information and be consulted upon the curriculum children are following, particularly in relation to more sensitive aspects of learning.

Religious and moral education is a core subject for all pupils attending primary and secondary schools in Scotland. Schools also provide opportunities for religious observance in order to promote the spiritual development of the school community. Parents can choose to withdraw their children from participation in religious education or religious observance. Parents wishing to do this should contact the headteacher. The school will make arrangements for pupils to participate in a suitable alternative activity.

Further information about the curriculum is available on the school website, and more general information regarding Curriculum for Excellence can be found at Parentzone (<http://www.educationscotland.gov.uk/parentzone>), a national resource developed by Education Scotland on behalf of the Scottish Government.

One of the benefits of being a small school is that we all work together in many whole school activities. A prime example of this whole school working is our committee system. Pupils from Primary 1-7 work in mixed groups, rotating on a 6 week basis, in each of the following activities; Pupil Voice, Eco Committee, Rights Respecting Schools Committee, and Enterprise Committee. Our committee system ensures all pupils experience every activity throughout the school session.

There is an After School Club which runs from 3.15pm - 6pm - Monday to Friday.

ASSESSMENT AND REPORTING

Assessment

Broadly, across Fife primary schools two forms of assessment are used to support your child's development:

Summative assessment- which focuses on measuring current performance in terms of how successful the learner has been measured against national benchmarks, and formative assessment which gathers information about pupils' learning which is then used to help plan next steps in learning. Both types of assessment help teachers improve their teaching and the support they give to their pupils.

Summative assessment takes the form of standardised classroom based tests which measure how well your child is performing for their age and stage. Their purpose is not to compare your child with others but to provide the school with information to ensure that your child's learning needs are being addressed.

Formative Assessment is an integral part of your child's day to day learning and provides a range of information to support your child in moving their learning forward. This less formal assessment takes many forms including observing children's engagement in classroom tasks and providing individual feedback to pupils to support them in identifying their own next steps in learning.

Within our school we continually assess pupil learning and progress. We use a wide variety of assessment methods to ensure progress, breadth, challenge and application. We use this assessment information to give quality feedback to pupils and inform the next steps their in learning. We use a variety of assessment is for learning strategies (formative assessment) alongside formal assessments (summative assessment).

Primary 1 pupils are assessed using PIPs at the start and end of their first year to show progress in learning. Further assessments (Assessment for Excellence - AfE) are used to assess pupil learning in Primary 3, 5 and 7. The results from these assessments, along with ongoing teacher based class assessments, allow us to gain a full picture of the progress all pupils are making. We carefully monitor and track pupil progress and achievement in learning on a termly basis.

Reporting

In all Fife schools teachers' reports about each pupil's learning play an important part in providing useful feedback about learning, for parents and carers and for other teachers and adults concerned with the young person's learning, progress and achievements.

Effective, constructive feedback to parents should be clear, positive, specific, supportive and give an honest appraisal of pupils' progress. Feedback will be provided for parents at parents' meetings and in formal written reports. Formal written reports will be based on the personal learning planning and informal records that have been shared with pupils and parents regularly throughout the year. Reports provide an overall summary of progress, achievements and next steps in learning in line with Curriculum for Excellence.

Within our school we regularly report to parents and carers on the progress their child/ren are making in school. Opportunities to discuss pupil progress include; twice yearly

Parent/Teacher Interviews, Jotters are available to browse on parents night and we use our website and social media to update parents on class learning.

INSTRUMENTAL INSTRUCTION

Children who show musical promise may qualify for instrumental instruction. The types of instrument offered by Fife Education and Children's Services are violin, viola, cello, double bass, clarsach, woodwind, brass, piano/keyboard, bass guitar, guitar, percussion, chanter and pipe band drumming. The type of instrument available differs from school to school and generally only one type will be available to children in a school.

There is a charge for tuition. The rate may be subject to change, but the current rate would be notified at the time of interview. This may be paid in instalments or by Direct Debit and concessions may be available.

Please tell the Headteacher if you do not wish your child to be considered for instrumental instruction.

ATTENDANCE

If your child is enrolled in school, you are legally obliged to send your child to school on a regular basis. To prevent any misunderstanding, please contact the school immediately if your child is not able to attend. Please send an explanatory note with your child when he/she returns to school; otherwise the absence will be recorded as unauthorised.

In occurrences of long term illness it may be possible for instruction to be given at home on a part-time basis.

HEALTH CARE

Should your child be taking medicine or have a medical condition which might affect his/her school life, it is essential that you notify the school of the condition and its implications. This information will be treated in strictest confidence to ensure the wellbeing of your child. Where necessary an Education Health Care Plan will be developed for your child in consultation with you and relevant health services.

Should your child become ill or have an accident while at school that requires medical attention, we shall:

- try to contact you by telephone, if this is possible, or arrange for a message to be sent to you.
- telephone the health service, if necessary, and arrange for your child to be taken by you or someone else nominated by you for medical attention.

From time to time children are offered a medical examination or review by the schools Community Paediatrician or School Nurse from the School Health Service. These can be either routine examinations carried out for all children, or where a health concern has been identified. As parent/carer you will be notified in good time so that you may be present if possible.

School Nursing Service

Each school has access to the school nursing service. If you wish to contact your School Nurse please speak to your school.

School Based Immunisation Programmes

All pupils will be offered to participate in The Scottish School Based Immunisation Programme that is led by Fife Health & Social Care Partnership in partnership with education.

Parents will be notified and invited to participate by the Centralised Immunisation Team when the age appropriate immunisation programme is to take place within their child's school.

CHILD PROTECTION

Our school, like all schools in Fife, is concerned with all aspects of a child's health and wellbeing. We aim to provide a safe and supportive environment and work together with other agencies to ensure that all children are safe and protected from harm. The school follows the Education and Children's Services Child Protection Guidelines in all aspects of Child Protection and Care and Welfare. Our school has a child protection co-ordinator (Mrs Jillian Mellis) who will deal with all child protection issues and with whom any concerns can be discussed.

TRANSPORT

Our current policy offers free home-to-school transport to primary school children who attend their catchment area school and live more than one mile from it and to secondary school children who attend their catchment area school and live more than two miles from it. Distances are measured by the shortest available walking route for an accompanied child. However, if you choose a school other than your catchment area school, the Council will not provide any assistance with the cost of transport.

SUPPORT FOR PUPILS

Some children require additional support to make progress in school. Such support takes a range of forms – extra consideration by their class teacher, use of IT to support learning, support from a Pupil Support Assistant, time with a support teacher and in a few cases an alternative placement to, for example an additional support needs class. In some cases help may be provided from services external to the school such as the Psychological Service or by the Supporting Learners Service.

If you are worried about your child's progress and think he or she might have additional support needs you can either raise this with school staff at a parent's evening or make an appointment to discuss this at another time. School staff will listen closely to all your concerns and together you can decide on the next steps. Ongoing support will be co-ordinated by the headteacher of the school.

Each class teacher will ensure learning needs are met in their class and be aware of any concerns about a pupil's wellbeing.

If you would like to know more about how additional support needs are identified and assessed please contact the headteacher of your child's school. Further information may also be available from the school's link Educational Psychologist and the Learning Support Teacher.

The Additional Support for Learning Act

If you are concerned that your child/young person has additional support needs you can request, by writing to your school, an assessment to decide if there are additional support needs. If your child has additional support needs which are long term and involve a number of services, you can ask for a coordinated support plan to be established.

Schools in Fife work in partnership with parents and aim to agree with you the best way forward for your child. Where agreement cannot be reached between you and the school, it may be helpful to involve an educational psychologist or education officer. The school may suggest this, or you can request such involvement. Where a disagreement persists, relating to additional support needs, you are entitled to free independent mediation.

You can also ask for independent adjudication for disputes about how the local authority is exercising its functions under the Education (Additional Support for Learning) (Scotland) Act 2004 as amended 2009. Additional Support Needs Tribunals can be accessed for disputes relating to Coordinated Support Plans, including placing requests where there is a CSP.

If you require further information about any of the above you can contact Alistair Haldane, Education Manager at Alistair.Haldane@fife.gov.uk or on 03451 555 555 Ext 444224.

Parents can also contact Enquire - the Scottish advice service for additional support for learning. Operated by Children in Scotland, Enquire offers independent, confidential advice and information on additional support for learning through:

- a telephone helpline – 0845 123 2303
- an online enquiry service – info@enquire.org.uk
- two websites– www.enquire.org.uk (for parents/carers and practitioners) and www.enquire.org.uk/yp (for children and young people)

Enquire also provides a range of clear and easy-to-read guides and factsheets explaining everything from ‘additional support in the early years’ to ‘what planning should take place for moving on from school’.

Let’s Talk ASN Scotland is a national, free and independent legal advice service for parents of children and young people with additional support needs and can support in relation to a dispute with the education authority.

Let’s Talk can be contacted at letstalkasn@edlaw.org.uk or at 0141 445 1955.

Children and young people can also exercise their own rights to access an assessment of their additional support needs, access advocacy and support to resolve disagreements with their school or the education authority. To access this support, the child or parent can contact My Rights, My Say to make a referral, email help@myrightmysay.scot To find out more about the children’s service by contacting our helpline on 0345 123 2303.

EQUAL OPPORTUNITIES

Fife Council’s schools promote Equal Opportunities for all pupils. All schools take problems of bullying and racism very seriously, and have procedures for dealing with hate incidents and supporting pupils and parents.

PARENTAL INVOLVEMENT

At Culross Primary we aim to promote strong partnership working with parents and carers. Throughout your child’s school career you will have opportunities to engage with the school in many different ways and to be involved in your child’s learning. It is recognised that when parents are actively engaged in their child’s learning it has a positive impact on achievement and attainment and outcomes for your child will therefore be more successful.

There are many different ways parents can be involved in the life of the school. At Culross Primary we are very lucky to have a committed Parent Council who meet regularly and organise fundraising events as well as being involved in consultation regarding school related topics.

We offer shared starts/finishes every term for all classes. These often have a different focus each term including Literacy, Maths and Health and Wellbeing. This provides you with the opportunity to learn with your child in their class. You will be informed of these dates at the beginning of each term. There will be other times when you will be invited in to school, for example, during specific project activities or for assemblies. Curricular talks and workshops take place throughout the year. We always aim to involve the children in these so that there are opportunities for you to learn together.

In addition, we hold two parent evenings each year. You will be given an appointment to discuss your child's progress at these times. However, if you wish to speak with your child's teacher at any other time, please make an appointment at the school office.

THE SCHOOL TO WHICH YOUR CHILD WILL TRANSFER

On completion of primary education the normal arrangement is for children to transfer to the catchment secondary school associated with their home address. However parents can make a placing request to attend a secondary school other than the catchment school and further information on how to do this is available in the booklet, Choosing a school – a guide for parents, which is available online at www.scotland.gov.uk/Publications/2010/11/10093528/0

SCHOOL IMPROVEMENT

At Culross Primary we constantly evaluate and assess our journey as a school and the learning journey of our pupils. This is an on-going process and we adopt rigorous self-evaluation processes to help us improve, involving pupils, families, staff and school partners. We view our school as a learning environment for everyone and, as such, our professional learning ensures we are continually improving.

For each session we develop a School Improvement Plan, which details our plans for the new session, alongside supporting Action Plans for each of our priorities. Our Standards and Quality Report is published annually for parents to share our improvements, strengths and next steps together. The School Improvement Plan and the Standards and Quality Report can be found on our school website. Information regarding data of 'levels achieved' by our pupils in P1, P4 and P7 are made available on Parentzone, <https://www.parentzone.me/>

We welcome feedback at any time on areas of school improvement.

- We are especially proud of the following achievements:
- Rights Respecting School level 1
- Silver School Sports Award
- Natural Connection Award P1-3
- Annual Burns poetry competition
- Bikeability Award P6/7

SCHOOL POLICIES

For more information about Fife Education and Learning policies please go to www.fifedirect.org.uk/keypolicies

The following school policies are available and can be accessed by contacting the school. These documents will be available to view on the school website in the near future.

- Curriculum Rationale
- Currirulum Policies
- Behaviour Policy

- **Internet Safety Policy**

All policies are on a review schedule. As policies are reviewed and updated they will be added to our school website. This is an ongoing process.

DATA COLLECTION

Fife Council collects information on pupils, parents and other carers to enable the provision of educational and other support services including personal data, contact details, pupil's attainment records and health information.

We are keen to help all our pupils do well in all aspects of school life and achieve better exam results. Sometimes the best way is by sharing information with our partner agencies including NHS Fife, Fife Constabulary, Careers Scotland and the Scottish Government Education Department. These agencies have a responsibility to protect children, young people and vulnerable adults and sharing information between agencies helps to do this. Examples include: the provision of dental services, immunisation programmes and road safety campaigns.

The benefits of data sharing.

Sharing information between partner agencies ensures integrated service provision which provides a positive contribution to the safety and well-being of children and young adults.

Data sharing helps:

- protect children and young people from suffering harm, abuse or neglect;
- ensure children and young adults with additional needs get the services they require;
- enable pupils to achieve their academic potential and attain their goals;
- plan future services

What information can be shared?

Information collected through enrolment forms or provided by parents and other carers will be held on computer systems and used within Fife Council for the purposes of furthering education and training, pupil care, career guidance, health monitoring and Parent Council elections and advice.

Information will be shared with partner agencies when there are clear concerns about the care, safety and welfare of children, young people or vulnerable adults and to aid careers planning. If you have any questions or comments on the information we share please contact David Smith, MIS Team Leader at education.data@fife.gov.uk

Personal data **will not** be shared out-with the above circumstances and information will not be disclosed to any third parties except where permitted or required by law or where informed consent has been received. The uses of the information are covered by the Council's registration under the Data Protection Act 1998.

SEVERE WEATHER CONDITIONS

Unless specifically advised, schools will remain open during periods of severe weather. It is vital that parents/carers ensure that schools have the means to contact them should this position change. Decisions to close will be made as early as possible.

To be kept up to date with closure information:

1. **By text or email through Fife Direct** – Notification of a school closure is done by schools through Fife Direct. To sign up to receive text or email alerts, please enter your contact details via www.fifedirect.org.uk/alerts, click on Alerts and under Alert Services click on [join fifedirect](#).
2. **By text or email through your school** – Make sure that you have given your up to date mobile number and email address details to the school so that they can contact you via Groupcall. These messages will provide supplementary information to the above.
3. **Visit** www.fifedirect.org.uk/closures. Also, check the website of your own school.
4. **Follow-us** on [facebook.com/fifecouncil](https://www.facebook.com/fifecouncil) and twitter.com/fifecouncil.
5. **Listen** to Kingdom FM, Forth One and Tay FM.
6. **Check TV** on Sky channel 539, press red or Virgin channel 233, press red.

Please note: If your child moves school or attends more than one establishment, you should amend the school details on your account in Fife Direct to ensure you receive information from the correct school.

Schools also circulate severe weather information for parents and carers at the start of the winter term. This may be added to their websites, shared through email or text messages and/or distributed via school bag mail drop.
