

Below find some recommendations of some ways that pupils can easily access the curriculum at home.

Word on Desktop

In the view tab of Word on the Desktop there is an icon for Learning Tools.

It doesn't do as much as the online version but will change the view and will Read Aloud and show Syllables.

In the view tab of Word on the Desktop
there is an icon for Learning Tools.

It doesn't do as much as the online version
but will change the view and will Read Aloud
and show Syllables.

Under Review tab Spelling and grammar check which will read aloud.
