

Donibristle Primary School and Nursery

School Improvement Plan 2025-26

School Vision

Work Together, Learn Together, **SHINE** Together

Priority 1

Improve teaching and learning experiences in reading across the curriculum.

- All teaching staff will engage in professional learning about the pedagogy of teaching reading.
- Introduce new fiction and non-fiction reading books across the school
- A clearer focus on teaching reading and reading at home
- Information on reading created and shared with parents / carers to ensure there is a clear understanding of how reading is taught and how learning can be supported at home.

Priority 2

(Transforming Learning) – Develop use of iPads with staff and learners

- All teaching staff (P1-7) will engage in professional learning on using iPads to support learning and teaching.
- All P6 and P7 learners will be issued with iPads.
- P6 and P7 learners will begin to use iPads in some areas of their learning.
- Introduce Pupil Profiling at P6 and P7

Priority 3

To introduce, develop and embed a systematic and progressive approach to developing 21st Century meta-skills as an integral part of children's learning and development (meta-skills)

- Embed meta-skills into all learning in school
- Introduce a tracking system for meta-skills in all classes
- Support children to be able to discuss and reflect on their own skills
- P7 children achieve Fife Diploma of Achievement
