Vision, values and aims	Our vision, values and aims were refreshed in consultation with staff, pupils and parents in 2021. Our vision 'Work Together, Learn Together, SHINE Together' promotes a culture of teamwork at all levels. The school values are an acronym of SHINE; • Successful • Happy • Inclusive • Nurtured • Enthusiastic. We are confident that almost all children know and talk about the values in school. All staff use these regularly and our achievements system is based on the school values. The current school aims are; • As a school we recognise the strengths and talents of each pupil. • As a staff, we aim to work with all partners, e.g., parents/carers and outside agencies to create an ethos of achievement, offering high quality learning experiences which involve learners in the process, enabling each pupil to attain the highest standards possible. • We value diversity, promoting social inclusion to close the gap whilst meeting the needs of the individual within an environment where everyone is equal.
