

East Wemyss Primary School and Nursery

Summary of 2022/23 for families

Our Priorities Session 22/23

- Our overall attendance will increase from 89% to 92%
- Our attainment in Literacy will increase to 58% and in Numeracy to 61%
- Continue to develop our digital culture to support learning, teaching and assessment
- (Nursery) to develop the professional skills and knowledge of all practitioners

Attainment Session 22/23

- Our overall attainment has increased from 52% to 60% in Literacy. It has increased from 58% to 67% in Numeracy.
- Our attendance rate for this session is 90%. We decreased our unauthorised absences from 4.4% to 3.5%.

Nursery Session 22/23

- Care Inspection in September 2022 identified our care, play and learning as good, our setting as very good, our leadership as good and our staff team as very good.
- There were no areas identified for further improvement
- We will continue to use our self-evaluation processes to ensure we continue to improve the experiences for our children

Wider achievements in Session 22/23

- Digital Schools Award successfully awarded in March 2023
- Participation in StAMP project in P6 and YMI in P5 to develop musical skills
- Wider achievements shared weekly at assembly
- P6 and P7 organised and ran the Summer Spectacular
- P5, 6 and 7 earned awards from RSPB, Heritage Heroes and John Muir Award
- P4 supported our Parent Council and TWIG's Winter Wonderland community event
- P7 performed with Beatbox for their end of year celebration
- Pre-schoolers enjoyed PEEP and Bookbug sessions
- The school celebrated the King's coronation

Identified next steps

- Report to parents on a monthly basis about the average class attendance.
- Continue to focus on raising attainment, planning detailed targeted interventions and using our assessment data to continue to drive this forward.
- Continue our emphasis on internet safety, particularly with our older children, but also begin this work across First level.
- Continue to use our observations in nursery to inform our planning to meet the needs of all the children

Priorities for Session 23/24

- To continue to develop the high-quality learning, teaching and assessment to build on current practice and further improve our attainment in Literacy and Numeracy
- Increase attendance from 90% to 92% with a focus on positive relationships across our school community
